Monthly payments

$$= (\text{Price per class} \times 41) - (\text{initial payment} + 5) / 8 \quad \text{Full payment} = \text{Price per class} \times 41 \quad \text{Half Payment} = \text{Price per class} \times 41 / 2 + 5$$

Monday there are 39 lessons. Tuesday, Wednesday Thursday and Sunday there are 40 lessons. Friday, and Saturday there are 41 lessons. Your debit will be adjusted to reflect the decrease in classes offered due to the holidays.

\*Over the course of the school year, your child's teacher will tell us if your child will advance to the next level for the upcoming session. We will adjust the swim level of your child based on teacher recommendations. Our computer program, SwimWare, is programmed to include students in the level of the class as well as the next advanced level, but there is no guarantee that the children added to your child's class will be equivalent to your child's swim level. You can check your child's classes in our SwimWare parent portal.

\*Your teacher is not guaranteed because they may change their schedule or can no longer continue to teach. If your teacher is still teaching at the same time and day as your lesson, every effort will be made to keep your current teacher.

We also email before each session confirming the day, time and teacher. It is your responsibility to check the parent portal to make sure that the day/time of class is correct for all sessions.

Half price 2<sup>nd</sup> payment is due **December 10, 2019**

### **Non-refundable Registration Fee**

New families are charged the **\$35** non-refundable registration fee at the time of sign-up. Renewing families will be charged the **\$18** renewal fee.

### **Terms**

- Your checking account will be charged on the 10<sup>th</sup> of each month for 8 months. Each debit is applied to the next month of lessons, from October 10<sup>th</sup> through May 10<sup>th</sup>, each charge representing 1/8 of your remaining balance after your initial payment.
- **Withdrawal must be in the form of written notification to Swim-in Zone before the 3<sup>rd</sup> of the month prior to the intended withdrawal. For example, if you want to withdraw your child on Feb. 1, you must notify us before Jan 3<sup>rd</sup> or your checking account will be charged for February lessons for which there will be no refund or credit to your account. This policy is in lieu of the usual \$40 cancellation fee for withdrawal after a session has started.**
- Once a client has been charged on the 10<sup>th</sup> of the month, no complete or partial refund or credit can be applied to your account if you withdraw during the month.
- A WRITTEN message to Swim-in Zone is required to change time and day. It is your responsibility to check your child's day and time for the winter and spring session. If you change your time and day at the front desk with no written or email message, the new class time will not continue into the new session. The front desk will not make a note of the change.
- Students may change class types during the school year (i.e. Semiprivate to group). Increases in price will be charged at the time of request. Decreases in charges will be adjusted in the monthly payment.
- Credits will remain on accounts. They will not be credited back to your checking account or paid back in the form of cash or check.
- \$30 fee for insufficient funds.
- If you withdraw from the School Year Option, but want to continue with swim lessons, you will lose your day and time priority rating and will be subject to any price increases.
- Enrollment closes when we reach 300 swimmers or on August 31st, whichever comes first.
- No adjustments to monthly withdraw amount for missed lessons. Missed lessons are made-up on one of our make-up days. Make-ups may be spread throughout the school year
- We are closed on Labor Day, Thanksgiving, Christmas Eve Day, Christmas, New Year's Day, Easter and Memorial Day.
- A voided check is required to have monthly payments withdrawn from your account.
